Subject: National Level Workshop on Cadastral mapping, Integration of Land Records and Property Registration, Uniform Coding and Security on 21-22 February 2008-Recommendations

NIC-LR teams from all the States including senior officials from some of the State Revenue Departments and SROs amounting about 65 attended the two day workshop. Dr.B.K.Gairola, DG (NIC) addressed the participants and stressed on implementing standard and interoperable solution for Land Records Management.

Smt Rita Sinha, Secretary, Department of Land Resources, Dr. A.K. Singh, Director, Land Resources Management addressed the participants, reviewed the project and discussed the future roadmap of the project. Dr.Y.K.Sharma, DDG(NIC) too addressed all the participants.

The draft of the recommendations covering the topics on Integration of Land Records and Property Registration, Solution for Cadastral maps, Information Security Audit and Meta data and Uniform Codes has been prepared. The same is attached herewith along with agenda document.

Submitted for kind consideration and approval please so that the same could be shared with NIC State units and the Department of Land Resources for further action.
