At the outset Deputy Commissioner welcomed all the participants and requested SIO to proceed the meeting. A copy of the points for discussion was circulated to all the participants. SIO read out the proceeding of the last workshop held on 28/07/09

1. Delay in Data Entry:- Data entry is to be done for 18 villages since workshop (28/07/09), However only 10 villages have been completed. DIO reported the reason for delay was that two staff assigned for the job were dropped and remaining staff were irregular due to double assignment. To this DC commented that there should be proper co-ordination between DIO & SDC for better progress and no double assignment would be given. DIO suggested to detain Mrs. Binomala Devi LDC, SDC Office Thoubal which was agreed.
2. Deputy Commissioner assured that all the required resource will be provided to DIO & DIO has to complete data entry and verification latest by 15/01/2010. There should be no more extension to complete the work..
3. Next review meeting has been fixed on 16/01/2010.

The meeting ended with a vote of thanks from the chair.
